

03.02.2017

Dear Sir/Madam,

We kindly invite you to B2B meetings with Turkish Trade Delegation members on the 1st of March, Climate World 2017 Moscow-Russia at the Expocenter Fair Ground. **Please find enclosed the list of the companies who plan to attend the Trade Mission from Turkey.**

ESSIAD, Aegean Region Refrigeration Industry and Business Association, was founded by the leading businessmen and enterprises of Heating, Ventilation, Air Conditioning and Refrigeration (HVAC-R) sector in 1990. Today, together with 120 members, ESSIAD, one of the leading associations of the Turkish HVAC-R sector, reaches its goals and sets new goals and projects every other day.

ESSIAD is visiting [Climate World 2017 Moscow](#) exhibition together with a Trade Delegation between 28th February - 3th March 2017.

We would you like to introduce you to elite Turkish HVAC-R manufacturers on March 1st at Pavillion 2, Hall 3 Turkish HVAC-R Exporter's Union (ISIB) booth in order to create new business partnerships.

PLACE : Turkish HVAC-R Exporter's Union (ISIB) Booth, Pavillion 2, Hall 3

DATE : 01 March 2017

TIME : 13:30 – 15:30 (Please mention the time of your arrival in the enclosed form)

Please fill out the form below and send back to essiad@essiad.org.tr at your earliest convenience.

Yours sincerely,

Aylin GEL
Genel Sekreter / Secretary General
